COMPANY DESCRIPTION

Realty Income, The Monthly Dividend Company, is an S&P 500 company. For over 56 years, our investors have enjoyed monthly dividends which have steadily increased over time. The monthly dividend is supported by the cash flow from over 15,500 real estate properties primarily owned under long-term net lease agreements with commercial clients. Founded in 1969, the company serves clients as a full-service real estate capital provider. Realty Income became a NYSE public company in October 1994.

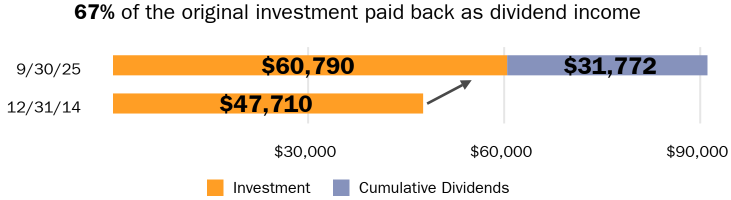
THE "MAGIC" OF RISING DIVIDENDS OVER TIME

Increased Income = Increased Investment return potential over time. The longer shareholders own **Realty Income**, the higher their **"yield on cost potential"**, the greater the increase in dividend income, and the greater the potential for enhanced returns.

Example: Investors who purchased 1,000 **Realty Income** shares on 12/31/2014 and collect their dividends have received:

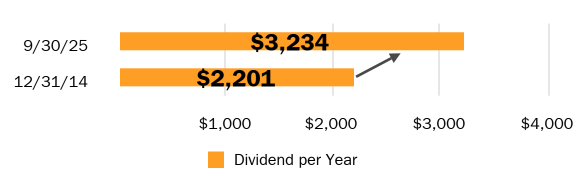
The Value of 1,000 Shares Purchased in 2014

27% increase in the value of the original investment
67% of the original investment paid back as dividend income



Growth in Annual Income

6.8% yield on cost
47% increase in the amount of annual dividend income



DIVIDEND REINVESTMENT CAN POTENTIALLY ENHANCE INVESTMENT RETURNS
