Part II Organizational Action

Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ Realty Income Corporation distributed a monthly cash distribution on December 15, 2020 to its common shareholders. Although a portion of this distribution represents a non-dividend distribution, due to the impact of Covid-19 we cannot estimate the amount that represents a return of capital.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ The basis of the security should be reduced by the portion of the distribution that represents a non-dividend distribution. Due to the impact of Covid-19 we cannot estimate this amount. The actual non-dividend distribution percentage will not be known until January 2021.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ The non-dividend distribution represents distributions associated with the 2020 tax year which are in excess of the estimated 2020 current and accumulated earnings and profits.
